Endorsement:

I'm signing this stip but we don't generally grant remands where parties may be forum shopping. See Quinones 2007 WL 1522621 or in some sense and the stip seems to exemplify the problem bargaining for a ceiling on damages - especially where we have jurisdiction and you may be sure it won't happen again. Nonetheless in deference to the NY State Courts I will grant an order to remand as per this stipulation and the clerk is so instructed and will remove this case from my docket.
